5X1	This solved the case as far as Meneles was concerned.
	Obviously Mr. Meneles had not been disturbed at the situation feeling that the Covernment's interests were paramount.
5X1	5. Talked with Senator Bourks B. Hickenlooper advising him that the three Agency people had come out today, referring him back to Mr. Houston's discussion on this subject. The Saustor seemed pleased not only to get this news but size expressed a satisfaction
	that these three men were safe in the U.S. I mentioned that, of course, we will hape to maintain secrecy on this entire situation and be concurred in the need to do so.
5X1	Committee staff, and confirmed to him that the three Agency men were valely in the U.S. He stated that he had passed on the previous message
	to Mr. Vincen that they were coming out on the 22nd. I mentioned again the necessity to maintain secrecy on this.

Vincen would not return until Thursday and most of the members of the independent would be travelling to Puerto Rice on Friday. Consequently, there was no hope for the meeting this week. I mentioned the Director's trip abroad for the next two weeks and it was agreed that we would get together the week of hisy 6th to set a meeting for the following week.
	We also discussed the early retirement situation and Mr. Smart
-	indicated it saight be appropriate for the Director to raise our legislation at the next meeting. discussing the matter of introduction and bearings
